Press Release

FieldHaven Feline Rescue Ribbon Cutting Ceremony

Lincoln, CA April 5, 2011: FieldHaven Feline Rescue will host an official Ribbon Cutting ceremony with members of the Lincoln Chamber of Commerce on Thursday, April 7 at its new rescue shelter facility in Lincoln. The nearly completed cat shelter is culmination of a three year effort to raise the funds necessary to replace the original building. "The official ribbon cutting is just one event in a series of small celebrations planned in advance of our official public Grand Opening at the 3rd Annual Classics, Cats & Cabernet event on June 18." said Joy Smith, Co-Founder of FieldHaven.

"We are so fortunate to live and work in a community filled with small business people who work together to meet the challenges this economic crisis has created. We decided to host the ribbon cutting ceremony with the members of the Lincoln Chamber of Commerce. Without the support of Lincoln's incredible business community we would not be here today. As a proud member of the Lincoln Chamber we have so often benefitted from members' willingness to give advice and collaborate on ways to navigate these tough economic times. We are thrilled to share our accomplishments with this talented group and to thank them for all they have done to help get us back up and running."

Notified 3 years ago by Placer County officials that their aging structure would need to be replaced, FieldHaven board, staff and volunteers set to work on a strategy for raising the \$180,000 that would eventually be needed to tear down and rebuild the cat shelter.

The public Grand Opening of the new facility will take place on June 18 during FieldHaven's 3rd Annual Classics, Cats & Cabernet event. Discounted tickets, sponsorship opportunities and more information can be found by visiting www.fieldhaven.com
