

## Qualified “Fluffies” Cat Beds for the Disney Give a Day Get a Disney Day Program (*minimum 20 Fluffies per person*)

The “fluffies” need to be approximately 12x16 finished size. We believe in recycling, so a brightly colored, **lightly used** Polar Fleece blankets and tightly woven cotton or cotton/polyester sheets may be used. You may of course use new pre-washed Polar Fleece or similar soft and sturdy material backed with tightly woven cotton material or sheet. Please remember that these are washed often and need to be very sturdy.

### Materials needed:

1. Soft, Sturdy brightly colored, washable material such as Polar Fleece, cotton or cotton/polyester blend material.
2. Sheets or other cotton or cotton/poly blend tightly woven material.
3. Hi loft Quilt Batting double thickness.
4. Sewing machine, thread etc....

### Directions:

1. Cut material approximately 13x17 to allow for the folding over and double stitching the edges.
2. Cut enough batting to fill the bed with a double thickness.
3. Match up the 2 different materials (fleece and cotton or cotton blend “sheeting”) with the double thickness of batting in between.
4. Fold in the sides. Use one of the materials to fully cover the sides of the batting.
5. Double stitch the sides with sturdy thread. Please remember these will be washed often and need to be very secure.
6. Over-stitch the bed in order to hold the fiberfill in place when washing and drying. Remember that you can be very creative here, making cat shapes in the center, diamonds or boxes are great as well, anything to hold that batting in place! Please remember, frequent cleaning keeps our wonderful cats and kittens healthy so they need to be very sturdy and well held together!
