

## Qualified Stuffed Kitty Toys for the Disney Give a Day Get a Day Promotion (minimum requirement 30 toys per person)

Toys are an essential part of growth a development in our feline friends. We like to provide various different opportunities in which to encourage play. We provide variety of toys for the cats and kittens varying in type and texture. We also include toys when our kitties are adopted into a new forever home. We believe in recycling and a brightly colored shirt made of tightly woven cotton/polyester, chambray or even jeans or corduroy pants can be used as long as there are no holes and material is lightly worn. Or a pre-washed piece of any of the same type fabrics in bright colors to attract the kitties.

### Materials needed:

1. A brightly colored tightly woven material as listed above.
2. Fiberfill or batting.
3. Yarn or felt to use as tails for (mice).
4. A couple pinches of Catnip (can be found in pet stores).
5. A sewing machine or someone experienced in hand sewing.

### Directions:

1. Wash the fabric in hot water and dry the fabric prior to cutting the toys.
2. Cut the pieces to make a finished toy of approximately 2 inches by 4 inches for "mouse" toy or 3 inch to 4-inch square for "pillows".
3. Double stitch the material inside out to make the pocket. Please remember that these toys are washed often for the cats' safety so they do need to be very secure.
4. Fill the toy with fiberfill or batting to adequately "puff" the toy. Add a small amount of catnip, usually a couple pinches or so will do.
5. Fold the un-sewn end in and double stitch the opening.
6. If making a "mouse" add the tail (either felt or yarn-knotted inside) prior to closing.
